**Ready Global Academy (RGA)** is an online school that strives to develop and integrate education innovations that will transform the traditional classroom. RGA is a unique online experience in that all students experience live classroom instruction; a number of classes have additional hours of live interaction with teacher assistants. Additionally, RGA classes are one on one, or small groups which allows students the personalized attention that helps students to thrive and meet their goals.

RGA creates effective international education programs for learning that are flexible, learner-centered, inquiry-oriented, and project engaged which allow for students to complete their course of study anywhere in the world. We offer a full range of college preparatory courses, including advanced placement and dual credit courses, for students of all ability levels.

RGA's digital courses create unique, personalized opportunities for learning which support all students to achieve access, excellence, and equity in education. Students who earn a minimum of 6 credits through RGA and complete required credits, earn a Diploma from Ready Global Academy.

## Mission Statement

The mission of Ready Global Academy is to provide a challenging and flexible American education that prepares students for admissions to elite universities worldwide. Ready Global Academy strives to model an American school, offering a broad and rigorous education to international students. RGA creates an environment that supports students developing into lifelong learners and that prepares students for global citizenship.

## Accreditations

RGA is accredited by Cognia which includes, NCA CASI, NWAC, SACCS, and CASI;

The Cognia logo features the word "cognia" in a lowercase, bold, sans-serif font. A small red dot is positioned above the letter "o". A trademark symbol (TM) is located at the top right of the word.

RGA is also registered with the College Board AP.

The AP logo consists of the letters "AP" in a white, bold, sans-serif font, centered on a solid blue rectangular background.The CollegeBoard logo features a white icon of a shield with a stylized "C" inside, followed by the word "CollegeBoard" in a white, bold, sans-serif font, all on a black rectangular background.

## Grading Scale

Computation of grade point average (GPA) is on a four-point (4.00) scale for all classes regardless of course designation (Advanced Placement; College Equivalent; Honors; College Prep). Each student's GPA is computed upon completion of each course; however, cumulative grade point averages are only computed three times a year in August, December, and May.

Weighting of Grades: The Weighted Average is calculated with Level 2 (Honors) course grades having a factor of 1.250 and Level 3 (Advanced Placement and College Equivalent) course grades having a factor of 1.500.

## College Credit Plus (CCP) Program

The College Credit Plus program allows students the opportunity to earn college credit while still in high school. All CCP courses earn grades that hold an equivalent weight to Advanced Placement courses and are calculated into the weighted GPA.

Students will have the college course and grade listed on their Ready Global Academy transcript as well as an official transcript from the college. Students should arrange through their college counselor to send a college transcript with their college applications.

## Home Advisor

Once a student enrolls at Ready Global Academy, they are assigned a Home Advisor who assists the student to plan a course of study. Home Advisors monitor student academic progress, observe them in classes, assist them to meet with academic success, and communicate directly with all parties regarding student or parent concerns. College counselors help students select appropriate colleges and complete applications.

Prior to course selections students must meet the prerequisites for a class. This may mean taking a pretest for a particular subject area. Furthermore, international students may be asked to demonstrate a mastery of English prior to registering for courses.
