Ready Global Academy (RGA) is a private school designed to bring American education to students around the world, no matter where they live. As an RGA student, you can choose from an expansive and rigorous curriculum of standard, honors, and AP courses, or enroll in our dual enrollment program to earn college credit. Our goal is to prepare you for university study and give you the assurance that you can confidently apply to colleges knowing that your courses are recognized by institutions worldwide. Whether you're looking to take extra courses over the summer, fulfill an English as a Second Language requirement, or earn your high school diploma, RGA's personalized curriculum is designed to meet your academic needs. Ready Global Academy is accredited by Cognia, the trusted non-profit organization that accredits primary and secondary schools throughout the United States and internationally.

Mission Statement

The mission of Ready Global Academy is to provide a challenging and flexible American education that prepares students for admissions to elite universities worldwide. Ready Global Academy strives to model an American school, offering a broad and rigorous education to international students. RGA creates an environment that supports students developing into lifelong learners and that prepares students for global citizenship.

Grading Scale

Computation of grade point average (GPA) is on a four-point (4.00) scale for all classes regardless of course designation (Advanced Placement; College Equivalent; Honors; College Prep). Each student's GPA is computed upon completion of each course; however, cumulative grade point averages are only computed three times a year in August, December, and May.

Weighting of Grades: The Weighted Average is calculated with Level 2 (Honors) course grades having a factor of 1.250 and Level 3 (Advanced Placement and College Equivalent) course grades having a factor of 1.500.

College Credit Plus (CCP) Program

The College Credit Plus program allows students the opportunity to earn college credit while still in high school. All CCP courses earn grades that hold an equivalent weight to Advanced Placement courses and are calculated into the weighted GPA.

Students will have the college course and grade listed on their Ready Global Academy transcript as well as an official transcript from the college. Students should arrange through their college counselor to send a college transcript with their college applications.

Home Advisor

Once a student enrolls at Ready Global Academy, they are assigned a Home Advisor who assists the student to plan a course of study. Home Advisors monitor student academic progress, observe them in classes, assist them to meet with academic success, and communicate directly with all parties regarding student or parent concerns. College counselors help students select appropriate colleges and complete applications.

Prior to course selections students must meet the prerequisites for a class. This may mean taking a pretest for a particular subject area. Furthermore, international students may be asked to demonstrate a mastery of English prior to registering for courses.
